Moola Suryaprakash Reddy

has successfully completed the online, non-credit Specialization

Python for Everybody

This Specialization builds on the success of the Python for Everybody course and will introduce fundamental programming concepts including data structures, networked application program interfaces, and databases, using the Python programming language. In the Capstone Project, you'll use the technologies learned throughout the Specialization to design and create your own applications for data retrieval, processing, and visualization.

Moola Suryaprakash Reddy

has successfully completed the online, non-credit Specialization

PostgreSQL for Everybody

In this course series, learners gained skills to use the PostgreSQL database and explored topics ranging from database design to database architecture and deployment. Other focus areas included comparing and contrasting SQL and NoSQL approaches to database design. Projects focused on creating and manipulating tables, designing data models, constructing advanced queries, and techniques for working with text in databases, including regular expressions.

Moola Suryaprakash Reddy

has successfully completed the online, non-credit Professional Certificate

Intuit Bookkeeping

Whether you are starting out or looking for a career change, the Intuit Bookkeeping Professional Certificate prepares you for a variety of jobs in public accounting, private industry, government, and non-profit organizations. You've gained a foundational understanding of accounting principles and an introduction to QuickBooks Online through hands-on practice working with real-world accounting scenarios. Upon completion, you'll be ready to take the Intuit Certified Bookkeeping Professional exam and are qualified to apply for a position as a bookkeeper at Intuit QuickBooks Live or anywhere in the field.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
