### Exam Prep AZ-104: Microsoft Azure Administrator Associate

Congratulations! By successfully completing Exam Prep AZ-104: Microsoft Azure Administrator Associate, you have demonstrated your mastery of the fundamental principles of Azure administration and your ability to operate various Azure services necessary for building, deploying, and maintaining cloud solutions. This certification validates your expertise in designing, implementing, and managing Azure resources, including virtual machines, storage accounts, virtual networks, and Azure Active Directory. You have also shown your ability to handle identity and access management, monitoring and troubleshooting, and resource optimization in Azure. By earning this certification, you have positioned yourself as a skilled Azure administrator who can effectively manage and secure Azure environments.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
