### Exam Prep AZ-104: Microsoft Azure Administrator Associate

Congratulations! By successfully completing Exam Prep AZ-104: Microsoft Azure Administrator Associate, you have demonstrated your mastery of the fundamental principles of Azure administration and your ability to operate various Azure services necessary for building, deploying, and maintaining cloud solutions. This certification validates your expertise in designing, implementing, and managing Azure resources, including virtual machines, storage accounts, virtual networks, and Azure Active Directory. You have also shown your ability to handle identity and access management, monitoring and troubleshooting, and resource optimization in Azure. By earning this certification, you have positioned yourself as a skilled Azure administrator who can effectively manage and secure Azure environments.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.

A digital certificate for the Microsoft Azure Security Engineer Associate (AZ-500) program. On the left, there's a dark blue ribbon banner with the text "7 Courses" in white. Below the banner is a list of courses: "Secure Access with Azure Active Directory", "Identity Protection and Governance", "Implement Platform Protection", "Secure Your Applications", "Secure Your Data at Rest", "Manage Security Operations", and "Capstone and Practice Exam (AZ-500)". To the right of the banner is the Microsoft logo. The date "Sep 16, 2024" is at the top left. The main title is "Moola Suryaprakash Reddy". Below the title, it says "has successfully completed the online, non-credit Professional Certificate". To the right, there's a photo of Marni Baker-Stein and her title "Marni Baker-Stein, Chief Content Officer". Below the title, the program name is "Microsoft Azure Security Engineer Associate (AZ-500)". A detailed description follows: "This program covers concepts aligned with the AZ-500: Microsoft Azure Security Technologies certificate exam. By completing this program, the student has gained proficiency in managing user identities, safeguarding the platform, securing applications and data, and managing security operations. They have gained knowledge of Azure tools and services such as Active Directory, DDoS Protection, Firewall, Kubernetes Service, Key Vault, Resource Monitor, and Monitor Application Insights. They have also gained knowledge of Microsoft tools and services such as Identity Platform, Defender for Cloud, Graph, and Sentinel." At the bottom, there's a note about the online specialization and a verification link: "The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner." and "Verify this certificate at: https://coursera.org/verify/professionals-cert/XASX2CTJW12E".

# Robotic Process Automation (RPA)

The Robotic Process Automation (RPA) specialization offers comprehensive knowledge and professional-level skills focused on developing and deploying software robots. It starts with the basic concepts of Robotic Process Automation. It builds on these concepts and introduces key RPA Design and Development strategies and methodologies specifically in the context of UiPath products. A student undergoing the course shall develop the competence to design and develop automation solutions for a defined process.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
